Tilson Appoints Nerissa Naidu to Board of Directors

PORTLAND, Maine (02/10/2021). Tilson, a national network development and information infrastructure professional services firm, today announced the addition of Nerissa Naidu to its Board of Directors. Naidu currently is the CEO of FinTech āxil and brings over two decades of executive leadership experience driving corporate growth and revenue generation strategies for organizations across 70 countries.

“Nerissa’s background using technology to drive corporate strategy will be invaluable to further accelerate Tilson’s growth trajectory as a continued leader in the industry,” said Joshua Broder, Tilson CEO. “Nerissa’s appointment reflects Tilson’s commitment to innovation, thoughtful strategy, and rigorous governance.”

Prior to āxil, Naidu has filled numerous senior executive roles managing and growing global businesses including Accenture and AIG, providing board oversight, managing a 5000+ global workforce, and leading multinational strategy for fortune 100 companies.

"Tilson’s core mission to bring affordable, reliable fixed and mobile broadband to people across the country is commendable. Its reputational rise and extensive growth plans make it an enticing time to join," said Naidu. "I look forward to being part of a team whose work has a tremendous impact on society."

Naidu has been a proponent of equality and strives to break the mold of stereotypes in gender, race, and professional norms. She has been a keynote speaker on diversity and inclusion, and chaired discussions on systemic inequality and racial injustice. Naidu was selected as a Young Global Leader in the World Economic Forum in 2019 and was recently featured in the Financial Times as a leader to watch.

About Tilson:

Tilson is on a mission to build America’s information infrastructure. Recognized ten consecutive years on the Inc. 5000, Tilson provides network deployment and information system professional services to telecom, construction, utility and government clients. As a leading network design, build, and operating firm, Tilson builds high-performing technology project teams who take on the largest and most impactful information infrastructure projects in the country.
