

FOR IMMEDIATE RELEASE
March 26, 2019

Tilson Welcomes Shaun McCarthy as Chief Financial Officer

Portland, Maine. Tilson, a national network deployment and IT professional services firm, is pleased to announce that Shaun McCarthy will join Tilson’s leadership team as the Chief Financial Officer (“CFO”), effective April 2, 2019. Mr. McCarthy will lead Tilson’s finance team and steward the Company’s financial health as it continues to expand its network infrastructure design build services during a period of rapid expansion for clients across the country deploying 5G, fiber and other network technologies.

“Shaun will be instrumental in providing financial vision, strategy and leadership to drive Tilson’s continued momentum and we are excited to welcome him” said Joshua Broder, CEO of Tilson. “He has an extensive background in financial planning and management across a variety of industries, making him an invaluable addition to Tilson’s leadership team.”

Mr. McCarthy has over 20 years of experience in senior financial positions including his most recent roles as Chief Financial Officer and Vice President of Finance and Corporate Controller at Casa Systems, a broadband infrastructure technology solutions provider. Previously he worked with Dynamics Research Corporation as Vice President of Finance, Corporate Controller and Chief Accounting Officer. He has also held numerous roles at Axcelis Technologies, Inc., including as Vice President of Finance and Corporate Controller. Mr. McCarthy received a B.S. in Finance and an M.B.A. with a concentration in Accounting from Bentley University.

“I am excited and honored to join Tilson at a time of exponential growth” Mr. McCarthy says. “I look forward to working with Josh and the entire team to further enhance the company’s financial and operational performance and accelerate the company’s growth trajectory as a continued leader in the industry.”

About Tilson:

Tilson is on a mission to build America’s information infrastructure. Recognized eight consecutive years on the Inc. 5000, Tilson provides network deployment and information system professional services to telecom, construction, utility and government clients.
